St. Gabriel School maintains an open admission policy regardless of religious affiliation or ethnic background. St. Gabriel Catholic Parish School, in its enrollment practices, will not discriminate on the basis of race, color, disability, gender, national origin, or ancestry. All admissions of new students will follow Archdiocesan Policy 5110 and 5111 with regard to a first semester probation period. "The final decision for admission, instruction, and retention of any student rests with the principal. Administrators will give careful consideration to the admission of students with special needs, but are not required to admit, re-enroll, or continue the enrollment of students whose needs cannot be met with reasonable accommodations." (Archdiocese policy 6164.3)

Kindergarten (5K) is open to students of five years of age by September 1.

Registration Priority

Registration officially begins during Catholic Schools Week for the upcoming school year. If applications exceed the available openings at any grade level, the criteria for acceptance listed below will be used to determine admittance:

1. Siblings of current students whose families are active registered parish members.
2. Siblings of current students whose families are Catholic, but are not registered members.
3. Siblings of current students whose families are not Catholic.
4. Children of members registered in the parish.
(priority based on number of years, participation in volunteer activities, and regular stewardship.)
5. Children of recently registered members of the parish.
6. Children of Catholic families who are not registered parish members.
7. Children on non-Catholic families.

After the period of open enrollment, admittance or placement on the waiting list will be based on chronological order of registration.

To receive priority consideration, the registration form and the registration fee must be received on or before the established open enrollment deadline, listed below.
