

**A Great Big Thank You from CWA** to all of you who are writing cards and letters to residents of our local assisted living community. Our Letter Writing Ministry currently services Heritage Park, Freedom Village, Brookdale and Discovery Commons.

**We invite all parishioners to join us in this ministry** to people residing in facilities. You can just write a short note or use your stockpiled greeting cards. On the envelope, please note the intended recipient (man, woman, child, youth, veteran, etc.) and the occasion (any day, birthday, holiday, mother's/father's day, etc.) Cards and letters can be left in the Church Office. CWA will facilitate delivery to the facilities. We also appreciate your unused greeting cards and note cards for CWA members to use for this ministry. Again, thank you for reaching out to our neighbors who cannot live in their own homes!
