Winner of seven Academy Awards including Best Picture and Best Director, the unforgettable classic *Going My Way* lights up the screen as it warms the heart. Best Actor winner Bing Crosby shines as Father O'Malley, a young priest new to an established but financially flailing parish. When his philosophies conflict with those of curmudgeonly Father Fitzgibbon (Best Supporting Actor winner Barry Fitzgerald), the result is a timeless story of patience, compromise and - just maybe - understanding. Featuring an all-new digitally remastered picture and filled with mesmerizing music including the Academy Award-winning song "Swinging on a Star," *Going My Way* exemplifies the silver screen at its golden best! "*****! Hard to resist!" (Leonard Maltin) Run time 2 hours 5 minutes
