

Email hoax

Fr. Mark did not send an email to parishioners

Parishioners apparently have received a hoax email purporting to be from Fr. Mark. He DID NOT send an email to parishioners.

Please note when/if Fr. Mark sends an email, his name appears in the email "from" address, mheuberger@sspeterandpaul.org. If you ever have a question about the validity of an email message from Fr. Mark, don't open it. First, check the "**email us @ . . .**" feature in every issue of our bulletin to compare Fr. Mark's actual email address to the "from" line in the questionable message you received. **If the "from" line does not have Fr. Mark's name, it's not from him.**

You may report hoax emails using your email system's "spam" reporting feature.

Thank you to parishioners for alerting us to this problem.
