WE'RE MAKING FIDGET QUILTS
FOR MEMORY/DEMENTIA CARE UNITS.

Thursday, February 22 from 9am - until 1pm - MMC

This is a sample of a fidget quilt. It is used in memory care units to sit on the lap of a patient and allow them to "fidget" with the different tasks. Are you interested in helping make these for some of the different nursing homes we serve? We need: Sewers, ironers, fabric cutters and loads of other jobs. What is needed (bring any that you might have):

<i>Fabric</i>	<i>Notions</i>	<i>Misc.</i>
<i>Cotton</i>	<i>All colors of thread</i>	<i>Scissors</i>
<i>Flannel</i>	<i>Velcro</i>	<i>Iron</i>
<i>Knit</i>	<i>Zippers</i>	<i>Sewing Machines</i>
<i>Faux Fur</i>	<i>Ribbon</i>	
<i>Batting</i>	<i>Ric Rac</i>
