

Thank you for signing up to serve at Mass!

**The Lector** will be doing both readings. We will not be carrying in the Gospel book. There will be no servers at this time, Fr. will process in by himself. The readings will be from the lectionary, it will be on the lectern and should be left in place after the 2nd reading. Fr. asks that you do not adjust the microphone. If you would like to view the readings ahead of time, they can be found via our website: click on the Ministries tab at the top of the page, then Liturgical Roles, then Mass readings. [stjohnsadel.org](http://stjohnsadel.org)

**The Communion Minsters** will be serving the bread only via the hand. We will ask that parishioners come up the side aisle to receive Communion and return single file down the center aisle. Ministers will serve the center rows of pews first and the side rows of pews last. Ushers may be needed to direct traffic.

**Ushers** please push the inside doors to the hold open position, if the weather is nice and you can prop the outside doors open, great. You may need to help people identify the open pews, we are only able to sit in every other pew—the ones that should be left vacant are marked with signs on the seats. While pews have been reserved online, we are not holding specific pews except in the case of Baptisms and First Communions.

**Ushers** will not take up a collection but will be asked to put the envelopes and money from the collection basket located on the way out of the church in a secure bag and drop it in the safe. Please do this as a team and initial the bag, bags will be located on a clipboard at the back of church as usual.

**Ushers** will also be asked to dismiss the back pews first at the end of Mass. Bulletins will be available for pick up in the entry, you do not need to hand them out. We ask that parishioners go directly outside if they wish to gather they are welcome to do so outside of the building (6' apart).

**Those who volunteered to help clean** will be spraying door handles, and wiping down any pews with the kneeler left down with Clorox wipes. There are gloves, spray and wipes available in the entry. We ask that parishioners attending Mass wipe down any surfaces they touch with Clorox wipes, if they are not able to we ask that they leave the kneeler down so the volunteer cleaners know to wipe the rails that they may touch when they kneel, arm rests, etc. Every other pew is not in use and will not need to be wiped down. Hopefully this won't take long. We do have the church professionally cleaned twice a week.

**We ask that Liturgical Minsters please check in with Fr. prior to Mass.**

Thank you for your help with this!
