

St. Anne Altar Society

Every woman of the parish, by virtue of being a member of the congregation, is enrolled in the St. Ann Altar Society.

We meet 4 times per year to eat, drink, pray, share, nurture, listen and work. The Altar Society continues a rich tradition of providing linens, hosts, wine, vestments, etc. for our liturgies. We also help with small outreach projects brought to our attention by various members. These are opportunities for women young and old to mingle and share stories while we prepare food or serve in other ways, as women have done together throughout our history.

Time commitment is minimal, but benefits and graces are abundant! Our next opportunity to come together will be to make dumplings for upcoming family celebrations. Many young hands are welcome, needed, and appreciated - even if you don't feel comfortable in a kitchen, come learn from the pros so this valuable tradition can be continued!

Please come to our Christmas dinner on Dec. 5 at 6 p.m. and see what we are all about. Watch for more details in the bulletin.
