

Dear Parish Family of St. Augustine,

God bless us all through this time of anxiety and restriction, as, out of charity, we are even called to refrain from gathering for the celebration of Mass publically. This is a spiritual challenge and a hardship, but, in the hopes that the chance of coronavirus infection could be lessened through “social distance”, we endure the restrictions of the present time.

Here are some brief thoughts to pass along to you:

1) While public Masses are not permitted at this time, I celebrate Mass “privately” daily but these Masses are offered “for the people” and not for a particular intention. The Mass intentions scheduled from March 20 until Masses resume publically will all need to be re-scheduled at a later date.

2) The weekly Bulletin will continue to be published. Please access it through the parish website (stasaints.org) or sign up to have it emailed to you through parishesonline.com.

3) Daily Readings are listed in the Sunday Bulletin. Please look over the Readings each day. We are working to add a link to the Daily Readings on the home page of our web site. I will write a homily for each Sunday which will be posted on the parish website and linked at the Facebook page.

4) In your kindness and generosity, we would ask you to mail your church offering contribution to the Rectory...or use the online giving program available at stasaints.org.

5) Please continue to check our parish website for continuing updates....more will be coming.

GOD BLESS YOU ALL!

Fr. Bill McGhee
