Sharing the Gospel

In flower or vegetable gardens weeds may take root beside the good plants. If you spray poison on all the plants, you will get rid of the weeds, but you will also get rid of the good seed, too. Since Jesus has died, weeds have grown among the good seeds. He says not to do away with those who have sinned. He will separate the good seeds from the weeds when he comes again.

Prayer

Lord, thank you for gardens of vegetables and fruit orchards.
