Dear Parishioners of St. Peter the Apostle Catholic Church:

During this most unusual time with the whole world dealing with COVID-19, I am writing to ask for your assistance. I ask that you pray for the end of the Coronavirus and the recovery of good health to all those infected. And please pray that everyone takes this opportunity to become closer to our Lord.

The severity of the situation has forced our leaders in the country and in the Church to make significant changes in our daily lives, including suspending publicly celebrated Masses. The Archbishop of San Antonio via a decree has dispensed all Sunday Mass obligations to all Catholics in the Archdiocese of San Antonio.

At St. Peter's, we have suspended all weekend and weekday Masses. All activities have been put on hold. To stay informed with the most current information, please visit our website www.stpetersboerne.com. You can also sign up to receive texts by texting **SPCCBTX** from your phone to 84576.

FINALLY, WE STILL NEED YOUR FINANCIAL SUPPORT.

St. Peter's runs and operates dependent on your weekly contributions. Our collection on the weekend of Sunday, March 15th was down 75%. This dramatically impacts our ability to manage and meet our employee payroll. We are cutting expenses in many ways at the Parish, and this will have some impact on the services provided, though it is necessary as we get through this very disruptive time. I am writing to you today to ask for your continual weekly financial support so we can meet our fiduciary obligations. There are many ways you can donate.

- 1) Drop your offering off at the office during office hours.**
- 2) Mail your offering to our office at 202 W. Kronkosky St, 78006.**
- 3) Call our office and you can donate over the phone.**
- 4) We can take credit card donations in the office using Square®**
- 5) Go to our website and donate online via WeShare**

Again, I thank you for your continued support of this Parish and this community. I humbly pray as your servant of Christ that you continue to pray for the St. Peter community and the world as we navigate through this most difficult time.
