

Welcome to Holy Spirit School After School Enrichment Opportunities

General Information

Our sincere thanks to all those who are involved in offering this enrichment program to our students! We realize that students excel in many areas and need an opportunity to explore them.

Attached you will find a listing of classes which will be offered this fall/winter. Please note carefully the days for each class as they vary.

Registration

In the back of this booklet, you will find a registration form. **Please use a separate form for each child for each class** (you may make copies if needed).

Payment for the entire session must accompany the registration. **Checks are to be made to the class moderator**, with a separate check for each class/leader.

All checks and registration forms must be turned in to the school office.

There will be no refunds for early withdrawals from the class.

It is up to the discretion of the instructor of a class to determine class size. Classes will be filled on a first-come, first-served basis.

Attendance

We will assume that if your child is present at school, he/she will be attending the activity as scheduled. We will also assume that if your child is absent from school, he/she will not be attending the scheduled activity. If your child attends school, but

must miss a scheduled class, please send a note to the office so that they can alert the person in charge of the activity. To ensure your child's safety, we need to be aware of absences. Thank you for your cooperation in alerting us, so as to help protect your child's safety.

If your child is absent from class due to an excused absence (illness, for example), there may be a make-up class – this option is at the discretion of the instructor.

Students may bring a snack to eat at the beginning of class. All drinks must have screw-on lids

Arrival and Dismissal

Students who are participating in an activity will be dismissed with the “car riders” at the end of school. The students should report directly to the location for their class/club activity.

At the end of the activity, all carpool & walking students will be escorted to the Rotunda for dismissal unless otherwise stated by the instructor. Children who will go to After School Care will be dismissed to that site. *Thank you for your cooperation in being prompt to pick up your child. If you are not able to arrive within 10 minutes of the activity's dismissal time, your child will be taken to the Extended School Care Program, and a fee will be charged for your child to stay there. This is to ensure the safety of your child and to respect the time commitments of the activity leaders.*

Behavior

Students who register for after school activities are expected to be respectful and cooperative. It is the responsibility of the activity leader to see that the environment is conducive to a good experience for all students. Disruptive behavior is not acceptable, and the leader will consult with parents. Repeated misbehavior will result in a student being dismissed from the activity.

Questions & Concerns

Should you have any questions or concerns, please don't hesitate to contact the instructor for the appropriate session.

September - December

SEPTEMBER

Fun with *Fancy Nancy* (Grades K – 3) 2:30 – 3:30 PM

Tuesday, Sept. 5, 12, 19, 26
