

1st – 5th Grade Faith Formation 2020 – 2021

Dear Parents,

Welcome to a new year of faith formation! We look forward to, and are happy to assist you in the faith formation of your children!

This program covers the basics of our Catholic faith using a curriculum based on the four parts of the catechism: the creed, sacraments, life in Christ, and prayer.

Covid19 has made it necessary to change the usual format of elementary faith formation for various reasons, therefore 1st – 5th grade faith formation will be held on **Tuesday evenings at St Andrew's** from **6:15 – 7:30pm** for the children from all the Lakes Catholic parishes.

Our **first class is October 13.**

St Andrew's has many classrooms that enable us to keep the class sizes within the 50% capacity and social distance requirements which makes it the best location.

Having classes for all the parishes together in one location on a week night has very positive possibilities such as

- less conflict with family events on weekends
- clergy will be more available to visit classrooms
- clergy and other speakers will be more available to offer enrichment to parents occasionally
- catechists will be able to meet together more often to share ideas and help each other

If you choose to work with your child at home for health and safety reasons, we can help your family with take home materials, online suggestions, and communication from the faith formation department.
