

*The Laudato Si team has presented 2 of eight Zoom presentations on Pope Francis encyclical CARE FOR OUR COMMON HOME. These are the remaining 6 Zoom presentations which you can view on your home computer. They will be presented from 7:00pm to 8:30pm on the dates shown below.*

*Registration is required so we can send you an invitation to the Zoom session. Send a request to Steven Lowrance at [lancesj@aol.com](mailto:lancesj@aol.com). If you have not used Zoom, please let him know.*

## **Thursday, January 28**

**The Power of Our Money and How We Use It**

*We have tremendous power to bring about positive change. As consumers, as investors, what we do and how we do it has tremendous effects on corporations and on the lives of the communities and persons they impact.*

*Presenter: Sr. Ruth Rosenbaum, TC, PhD, Executive Director, CREA*

## **Thursday, February 25**

**Water – The Water we have on This Earth is the Water Necessary to Keep Us All Alive**

*Water is a part of our spiritual life and essential to our physical life. We all need to work together to preserve this resource for future generations.*

## **Thursday, March 25**

**Breathe In, Breathe Out: The Air We have is the Air We Share – How Do We Take Better Care of the Air Around Us?**

*We all breathe the same air. There is no more air than the air we have. Learn how we must take better care of our Common Air to sustain life among us all, locally, nationally and globally. This air represents part of our legacy to those who come after us.*

*Presenter: Elaine Swords, Professor, University of Hartford*

## **Thursday, April 22**

**Plastics**

*Our world is being trashed by a glut of plastic. There are personal and group actions we can take to fix this problem.*

*Presenter: Steven Lowrance, Parishioner, St Josephine Bakhita Parish, Rocky Hill*

## **Thursday, May 20**

**Reduce, Reuse, Recycle**

*We are filling our planet with trash. This paradigm is not sustainable. Rethink what we throw away, what we can do without and what we can reuse*

## **Thursday, June 17**

**Energy**

*Our use of fossil fuels is polluting the atmosphere and sickening us. What are the alternatives?*

*Presenter: Steven Lowrance, Parishioner, St. Josephine Bakhita Parish, Rocky Hill*
