My charge to you Brother Knights:

There are many good men in our council, but there are many more in our parishes who should become Knights. Don't be afraid to invite them to one of our meetings!

THIS IS YOUR COUNCIL. Your participation and ideas are valuable and important to the council. Please set a goal to attend at least two meetings this year. We need your ideas to make the council more charitable and fun. Participation and help from many make the workload light. The more Knights we have, the easier it is to help our own council, our youth, our churches, and our community. Let's work together towards a better tomorrow.

“And do not neglect doing good and sharing, for with such sacrifices God is pleased.” - Hebrews 13:16

“Knighthood lies above eternity; it doesn't live off fame, but rather deeds.” - Dejan Stojanovic

Yours in Christ,

**Troy Anderson
Grand Knight**
