What an amazing Advent Program again this year! Thanks to Rebecca Schroeder, Karen Holden & Sunday Schoolers & helpers!

Help us via Prayer:

Our Parish cluster has a group attending March for Life with the Diocese of La Crosse. They will be leaving Wed. January 22 and returning Sunday the 26th. Please help pray for safe travel, a good experience for our youth, for the unborn, and good weather. We will hold a Pro-Life Rosary during class time on January 22 @ 6:30pm for all parish members and youth to attend.

Virtus Reminder: if you work with our students in any capacity you need to be Virtus trained. This is our safe environment program. Please see <https://www.dowr.org/offices/safe-environment/index.html> for more details or contact Amber Konz or Monica Anderson with questions.
