

Church Re-Opening

How we have missed being with each other these 2 ½ months! Although we have been praying and celebrating our faith at home, it will be a joy to worship again as a community.

We are not, however, going “back to normal” for quite a while. We will be following the guidelines given by the Archdiocese and the City of Los Angeles. This will require patience and understanding from all community members.

Only a maximum of 100 people will be allowed at Mass.

This will not be easy or fun, but it is required of us.

First of all, if a person is ill or not feeling well they must stay at home. The Sunday Mass dispensation continues until announce otherwise.

- How will we do this? To go to Mass one will be required to pick up a (free) ticket during the week in order to attend a specific Mass that following Sunday or call the pastoral center to make a reservation. That way you will give your ticket (one per person) to the usher as you enter the church or have your name checked off on the list.
- All school-age youth and adults must wear a mask.
- Some pews will be marked as “no sitting” areas to maintain physical distance.
- There will be only **one** entrance into the church. All are to enter through the doors on the parking lot (Plaza Íñigo) where there will be a hand sanitizer station and you will drop off your ticket or have your name checked. All doors are available for exiting.

We are not allowed to have re-usable missalettes in the pews for people to use. If you wish to have a missalette to follow the readings, the missalette may be purchased at the pastoral center (\$5) so you can bring it with you to Mass and then take it home with you.

Confession

Confession is available by appointment only in the pastoral center during the week.

When will this start?

- Our plan is to begin with Sunday Masses on 13/14 June.
- Our plan is to begin weekday Masses on Monday, 15 June.
