WELCOME

St. Stanislaus is reaching out in service to our diverse neighborhood peoples. Please be generous in your support of the many good works of our Parish. St. Stanislaus depends upon the regular support of its membership and the generosity of those who visit here. Please look upon your financial gift or sacrifice as a way of giving praise to God along with the many from earlier generations who have worshiped and prayed here for 129 years.

SIX

The second tablet which Moses brought down from the mountain first spoke of honoring the procreators, then, the procreation. Now, as we approach the Sixth Commandment, the spotlight falls on the sacred creation of God, the human being, male and female, summarizing the energy of the Father as well as the fruits of His creative activity. The human being is not just an animal, not simply one who can procreate and ensure the promulgation of the species. What makes us different from the animals? Is it our capacity to transcend that basic survival mechanism through careful planning? Is it our ability to love and, through that love, elevate the act of procreation to a plateau far higher than that achieved by any two apes or birds or fish?

You shall not commit adultery.

The vessels which house our souls are sacred. The sacredness of the encounter between one human being and another is a moment of creation ever-new. Once again, we are commanded to respect human life, this time, in the context of the human being as a sexual being. Dignity of life stands as the beacon to guide actions that could easily be drawn to what has been called the “culture of death,” where ‘people’ become ‘things’, where pleasure becomes paramount, where God is a forgotten relic.

The commitment between two married people is not to be taken lightly. At every wedding ceremony one hears the direct command: “What God has joined, let no person divide.” If we view each human being as a sacred creation of our loving God as opposed to a vehicle for our pleasure, then the commandment becomes an obvious conclusion, not a burden. From the sacred union will flow more new creations, whether in the form of children or some other act of creation, for love is forever creative, never destructive.

ST. STAN'S SCHOOL OPENS DOORS FOR THE 121ST TIME

When the students of St. Stanislaus Elementary School passed through the doors of the school a couple weeks ago to begin another year of learning, they joined a long line of youngsters who were sent forth by their parents to learn the basics of reading, writing, and religion. The first newly-arrived sons and daughters of immigrants from Polish areas of Europe gathered at the hastily constructed church/school for the first time in 1881. They were 205 in number. By the time the present school building had been opened in 1907, thousands had learned not only the 4 R's but also English and the American way of life. Since then, hundreds of thousands have passed through the doors on Forman Avenue. The peak year was 1933, when 2,686 students were taught by 46 Sisters of the Holy Family of Nazareth. Wherever one goes in the Cleveland area (and cities beyond) one encounters evidence of the excellent education gained at "Saints."

In recent decades, the enrollment at St. Stan's has fluctuated between 200 and 500, but the educational opportunity provided children of a variety of backgrounds continues to be excellent. Only two Sisters are on the faculty now, one a full-time 5th grade teacher and another a part-time instructor of the Polish language. The principal is a lay person, Mrs. Alice Torrence, who is the second lay person to lead the school since the late 1980's. She is assisted by 15 full-time lay teachers, 10 women and 5 men.

As of this past Thursday, this faculty instructs 291 students. There is one class each of Kindergarten and Grades 1, 2, 3, and 8. All the other grades have two classes. Additional teachers teach music and physical education/health. Two part-time teachers offer classes in Polish and Spanish once a week. A support staff of a full-time secretary, two part-time librarians, and a computer specialist round out the staff, assisted by several volunteers. Extra assistance is provided by a school psychologist, a school nurse, an LD teacher, a Basic Skills teacher and a textbook clerk through the public school system.

And, of course, there is the pastoral and ministerial presence of Fathers William, Michael and George and Brother Dan Montgomery. What a staff!

Even though tuition — at \$2,500 a student — is high compared to past ages, more than 80% of the students will receive financial assistance through vouchers and diocesan grants. Hopefully, donations to the Fr. William Gulas Scholarship Endowment Fund and other donations will help other families who will have difficulty meeting the tuition requirements.

In the meantime, I can report to the parishioners of St. Stanislaus Parish that our ministry of education is alive and well and that we are providing an excellent education to youngsters who will one day make us proud of their accomplishments — as past generations had been proud of the accomplishments of their children. 121 years is a long time for our school doors to keep swinging. We thank the school staff and faculty and the generous parishioners of St. Stan's for keeping the doors well oiled by their support.

Fr. William

MIŁOSIĘDZIE W PRAKTYCE

Odszedł tak jak żył — w biegu. Zawsze mu się spieszyło; ciągle nie starczało mu czasu, bo jeszcze tyle dobrych rzeczy czeka do zrobienia.

Kilkanaście dni temu, w ostatnim tygodniu sierpnia, w Warszawie, odbył się pogrzeb "króla umierających" (jak wielu go nazwał). Zmarł wskutek obrażeń odniesionych w wypadku samochodowym. Chciał jeszcze tyle w życiu zrobić dla innych; zawsze mu się spieszyło. Pewnie tym razem było podobnie; już nie zdążył.

Marek Kotański (1942-2002) - psycholog i terapeuta, założyciel **Monaru** (Młodzieżowego Ruchu na Rzecz Przeciwdziałania Narkomanii), organizator licznych akcji pomocy dla osób uzależnionych od alkoholu i narkotyków. Urodzony w Warszawie w 1942 r. już podczas studiów na Wydziale Psychologii UW działał aktywnie w Ruchu Młodych Wychowawców, który opiekował się sierotami i młodzieżą patologiczną. Równocześnie rozpoczął pracę jako terapeuta w szpitalu psychiatrycznym oraz w izbie wytrzeźwień. W 1974 r. podjął pracę w szpitalu w Garwolinie, na oddziale uzależnionych od narkotyków. Wówczas to zainicjował własny system leczenia narkomanów i założył pierwszy ośrodek **Monaru** w Głuskowie. Kotański oraz ludzie z nim współpracujący, dysponując niewielkimi funduszami, zagospodarowywali zdewastowane i opuszczone obiekty na potrzeby schronisk dla narkomanów, bezdomnych czy alkoholików. Podczas dziesięciu lat istnienia **Monaru** Kotański stworzył 24 ośrodki leczenia uzależnionych, 25 punktów konsultacyjnych oraz schronisko dla aktywnych narkomanów. Prowadził akcje profilaktyczne promujące zdrowy, wolny od używek, styl życia. Był także organizatorem Stowarzyszenia "Solidarni wobec AIDS - Plus", które zaczęło działać w 1990 r. W latach 1985-1994 Marek Kotański był inicjatorem akcji promujących trzeźwość, ochronę środowiska, a także bezprecedensowej akcji nazwanej "Łańcuchem Czystych Serc", w której setki tysięcy ludzi złączyło dłonie w "żywym łańcuchu", poprzez całą Polskę, wiążącym Bałtyk z Tatrami. Rozwinął system pomocy dla osób opuszczających więzienia. Przyznano mu wiele nagród i wyróżnień; między innymi nagrodę im. Brata Alberta. Owoc jego pracy to, w tej chwili, 186 domów **Monaru**, 83 placówki "Markotu" dla bezdomnych, hospicja dla nieuleczalnie chorych, ośrodki na Ukrainie i w Rosji oraz placówki szkoleniowe dla specjalistów z Azji, Europy Wschodniej i Zachodu. Kilka lat temu Marek Kotański przeżył osobistą przemianę; zaczął mówić o Jezusie, o Bogu. Często chodził do kościoła św. Stanisława Kostki na Żoliborzu, składał kwiaty na grobie ks. Popiełuszki. 28 września w tym kościele odbył się jego pogrzeb. Pochowany został na Powązkach.

Różnie można ocenić samą jego osobę, ale nie ulega wątpliwości, że jego działalność była na wskroś prześięknięta praktycznym miłosierdziem. Oddał się najbiedniejszym (szczególnie mam tu na myśli biedę w najgorszym jej wymiarze — duchowym), tym wszystkim, których społeczeństwo wyrzucało poza margines. Tworzył dla nich ośrodki powrotu do normalności i uczył od nowa godnego życia, chciał także pomagać nieuleczalnie chorym w godnym "odchodzeniu z tego świata". Trudno porównywać go do Matki Teresy, ale niewykluczone, że była jego wzorem. Nie chciał wchodzić w układy, dlatego pewnie było mu podwójnie ciężko robić swoją robotę. Do końca jednak był w niej niezłomny. Warto o nim nie tylko pamiętać, ale zatroszczyć się by dzieło było kontynuowane.

JUZ TYLKO JEDEN MIESIAC...

pozostal do rozpoczęcia naszego parafialnego Festiwalu (każdego roku odbywa się on w pierwszy weekend października). Mamy nadzieję, że nasi parafianie zaopatrzyli się już w bilety na loterie losowana w czasie Festiwalu. Jeżeli ktoś jeszcze tego nie uczynił, może kupić bilet na plebani. Przygotowane są już pierogi, zrobione golabki. Pomysł o fantach, które możemy przygotować na losowanie w czasie loterii, także o różnych robótkach ręcznych. Każda inicjatywa, każde ręce, każdy dobry pomysł może być cennym wkładem w dobrą organizację Festiwalu. Wszystkim nam zależy na jak najlepszych jego owocach. Również w tym miejscu bardzo serdecznie dziękujemy za już okazaną wszelką pomoc. Sukces może być tylko we wspólnym działaniu.

JUBILEUSZOWA PIELGRZYMKA DO RZYMU

W październiku 2003 roku cały świat będzie obchodził jubileusz 25-lecia pontyfikatu papieża Jana Pawła II. W związku z tym wydarzeniem zaplanowana jest pielgrzymka Polonii od 18 do 26 października 2002 roku, uprzedzająca jubileusz. Duchowym przewodnikiem tej pielgrzymki jest kardynał Adam Maida z Detroit. Pielgrzymka ma zaplanowany bardzo bogaty program. Warto już dzisiaj pomyśleć o tym szczególnym wydarzeniu, aby zarezerwować sobie czas i miejsce. Blizsze informacje można otrzymać dzwoniąc do Chicago do pani Teresy Abick z PNA pod numer 773-286-0500.
