

Greetings 7<sup>th</sup> Grade Parent!

July 16, 2020

I'm excited and hope that you're excited for your child to begin their journey to the most holy sacrament of Confirmation! I wish to partner with you to help lead your child through these next couple of years.

My main goals for them, this year, is to begin to explore what the sacrament is about, to think and pray about who is the RIGHT person to help mentor them throughout their life in regards to their Catholic faith (Sponsor) and to search for opportunities to serve others in their life.

Below is a list of important dates in the coming school year. Please understand with everything going on and the uncertainty of things like dates and locations could be adjusted. It may mean an in person meeting switches to online meeting. I ask for your patience as we navigate through this coming year together. We can do this, we just need to help and support one another.

**Important Dates:**

- September 8, 2020                      Sacramental Information Form DUE
- September 16, 2020                    Parent Meeting 7pm-8:30pm in the MPB (possibly on Zoom- tbd)
- September 19 & 20, 2020           Confirmation Enrollment (choose any of the weekend Masses)
- November 3, 2020                      Sponsor Information Form & Sponsor Eligibility Certificate DUE
- April 20, 2021                            Service Passport DUE

I will have many details and hopefully be able to answer your questions or concerns at the Parent Meeting. I will go over everything in detail, so that you leave that night knowing everything you and your child will be responsible for.

Please mark these dates on your calendar and make them a priority. All of our lives are busy (well, not right now☺), but let's teach our young teens the importance of our Catholic faith and the sacrament of Confirmation by not letting anything take precedence over them.

This will be an incredible journey that we all take together. Use this time to renew your faith life as well. Work with your child on assignments, talk to your child about their faith and pray with them at home. Being involved will demonstrate to your child your love of the Catholic faith.

I will be here for you, your child and their sponsor, if there are ever any questions, confusion or concerns. Please feel free to reach out. I look forward to working with you.
