A Note from the Principal

On Tuesday of this week our 6th-8th graders participated in a model United Nations sessions (Civitas). Along with students from Hixson Middle School in Webster Groves our students presented resolutions to try and solve world problems, followed by a questions session.

Each delegate had a chance to voice his/her concerns, along with proposing amendments to the resolutions. The sponsoring delegate addressed the concerns and either rejected or accepted the amendments. Finally, there was a vote to determine whether or not the amendments passed.

Our students have been working all year researching their individual country's issues and how to craft a resolution. As a result of their hard work three of our students have been invited to participate in the Honors Civitas program in May. They are Natalie M., Mikayla M. and Henry M.

There has been a scheduling change regarding kindergarten graduation. Our youngest students will now celebrate their commencement exercise on Monday, May 20, at 6:00 p.m. in the gym. Please mark your calendars to reflect this change.

On Wednesday, April 9, our 8th graders will be joining their fellow 8th graders from Region 1 schools in the Archdiocese for the traditional Mass held during the second semester each year. Scheduled for 10:00 at St. Joan of Arc Church and celebrated by Archbishop Carlson, this liturgy and the reception that follows present an opportunity for our students to meet some of their future classmates.

April 9 is also spring picture day. Students are encouraged to "dress up" for this day.

The Vision Van, which was scheduled to be here today, will instead be visiting on April 12.

This same day the annual all-school photograph is scheduled. Students should wear their regular uniforms on April 12.
