A Note from the Principal

Parents are reminded that students in grades K-8 will not have use of their chrome books or iPads after Monday, September 24, if we do not have signed "Internet Use Policies" on file. There are still some families who have not yet returned their forms.

The "Mad Science" afterschool program is scheduled to begin on Thursday, September 27, at 3:10 p.m. The class is scheduled to end at 4:10 p.m.

Today marks the end of standardized testing week for grades 2-8. Once we have received and reviewed these results they will be made available to parents.

This is the time of year when Catholic and private high schools begin offering certain days when special activities are scheduled on their campuses for prospective students. As this information was received it was distributed to the appropriate students.

Here is what is scheduled for next week and beyond.

September 28...St. Mary's High School..."Dragon for a Day"-open to boys in grades 6-8; 8:00 a.m. until 12:00 p.m.

September 28...DuBourg High School..."Cavalier for a Day"-open to boys and girls in grades 5-8; 8:00 a.m. until 2:15 p.m.

September 28...Notre Dame High School..."Rebel for a Day"-open to girls in grades 6-8; 8:00 a.m. until 12:30 p.m.

October 18...St. Louis University High School...open to boys in grades 7 and 8; 6:30 p.m. until 8:30 p.m.

St. James the Greater School families are reminded that there are no classes on Friday, September 28. Our faculty will be attending a professional development day at Vianney High School.

Finally, don't forget two very important upcoming events-the Home and School "Trivia Night" on October 6 and the "Keep St. James" Cornhole Tournament on October 13. Please plan on supporting these two events as both benefit the school financially.

Dinosaur Footprints!

PK4 students learned how many pairs of shoes it would take to fill a dinosaur footprint. It took 19 pairs plus they still need two more pairs to fill it up!
