

*Permission Form for Student Athlete or Coach  
Involved in  
Media/Marketing Materials*

Occasionally, someone from the media contacts our school about a feature story. It is important that we know before the media arrives if you have any objection to you or your child(ren) being included in these stories. Additionally, occasionally the school will prepare a marketing or informational brochure, as well as web-based material. Signing this form authorizes the school to photograph you or your child(ren) and use the photograph on our website, brochures, or other similar publications. Please fill out and return this release. We will keep it on file for the current school year. If your form is not returned, your children will automatically be excluded from any media or marketing situations.

NOTE: This form applies only to feature stories, ads, brochures and website content. If reporters come to school for a general news story, the school administration will make every effort to keep them from interviewing or photographing students.
