NEW TRENDS IN THE CATHOLIC CHURCH

As we begin a new calendar year, here are some current trends in the Church that are well underway and could result in substantial changes in how the Church functions. With regard to Church design and function, there is a strong trend today favoring a more traditional approach. This is consistent with growing momentum for a more solemn liturgy that strongly focuses on the transcendent presence of the divine. The emphasis in the liturgy on the presence of the people is decreasing.

Next, there is a growing emphasis on evangelization and discipleship in dioceses and parishes around the country. Efforts are underway to train Catholics as "missionary disciples." This involves a deepening of the Catholic faith and an understanding of how to effectively share it with others.

To assist in evangelization and discipleship, there is now a strong Catholic presence in social media. Bishop Barron of Word on Fire, Fr. Michael Schmitz of Bible in a Year and Catechism in a Year, the Hallow App, and many other Catholic resources have had a profound impact on spreading the Catholic faith. At the beginning of 2025, the most popular podcast in the world was The Rosary in a Year, with Fr. Mark-Mary Ames. These resources nourish and inspire the faith of Catholics and bring many new people into the Church.

We look forward to welcoming everyone back to school on January 6th! Enrollment for the 2026-2027 school year will open on January 26th. Registration forms are available online at www.stbernardstulsa.org.
