SEEDS OF FAITH

Seeds of Faith—Sunday, May 3rd!

Families with children between the ages of 0-6 years are invited to join us for our new program, "Seeds of Faith" on Sunday, May 3rd, from 9:00-11:00 am, in G8. We will offer a continental breakfast, age-appropriate, faith based activities, a short lesson, and resources for you to take home and use throughout the month. Plus, meet other young families from around our parish!

DATE NIGHT

April 15th, 6:30-8:00 pm

Step away from the daily hustle and enjoy dinner, meaningful conversation, and a practical, hope-filled talk from an experienced married couple who understands the realities of young family life. Childcare will be offered but space is limited and rsvp is required. To RSVP, please email Hannah Schilling at hannahs@stbernardstulsa.org.

"AT HIS FEET" FAMILY ADORATION NIGHT

May 26th, 6:00-6:30 pm

All families are invited to join us for a special evening of Adoration on Tuesday, May 26th. This special time is designed especially for little ones, featuring songs, prayer tools, and mediation, to help introduce families to the beauty of Eucharistic Adoration.

While children are always welcome to our chapel during Adoration, we know it can feel like a big step for young hearts. That's why we are setting aside this time for our families to come together and share in this meaningful experience. Afterwards, join us for popsicles and fellowship! More details to come soon!

SHRINKING VOCABULARIES

It is probably not a surprise that children's vocabularies are shrinking. This has reached the point where governments around the world are intervening to limit the damage that screen time is doing to children's language development. The obvious reality is that screen time is taking away from reading time. The gap is widening between children who do read and have good vocabulary skills and those who don't. The internet isn't completely harmful. There's more variety online, but that doesn't mean that the variety is being experienced.

Critics are encouraging families to read more, have more conversations and play word games. I know one family who has adopted the practice of having one of the children read a paragraph from a good book at every family dinner. Another option would be to have a child share a new word from the dictionary at mealtime.

A mother I know with three young daughters has lengthy, quiet, off-screen reading time every evening. This has stimulated the girls to do more reading even at other times. The reading has fueled frequent conversations about the contents of their books and articles. The reading and conversations have significantly increased the girls' vocabularies and their ability to express themselves. Learning more words leads to more and better conversations. More conversations lead to improved abilities to express, promote and defend ideas. Such conversations lead to greater closeness and enjoyment in family interactions.

"Do not conform yourselves to this age but be transformed by the renewal of your mind, that you may discern what is the will of God, what is good and pleasing and perfect." Romans 12:2
