### THE WINDS OF CHANGE

The winds of change are blowing in the Diocese of Tulsa. All of the parishes have been participating in a preparation process which will result in each of them becoming a "Next Generation Parish." The process is intended to make fundamental changes in the culture and functions of every parish.

For decades, Catholics have been attracted to parishes that are friendly and offer good preaching and music at Mass. The job description for "good Catholics" has been to attend Mass on a regular basis. The diocese is now encouraging and equipping parishes to form "missionary disciples" in every parish. A disciple is defined in the Catechism as one "who not only keeps the faith and lives it, but also professes it, confidently bears witness to it, and spreads it." Disciples deepen their commitment to follow Jesus in every aspect of their lives and invite and encourage others to do the same.

Becoming disciples involves the formation of small groups in the parish which foster friendship, prayer, the guidance of the Holy Spirit and building up the Body of Christ. Since last fall, the clergy and staff of the parish have received guidance from representatives of The Evangelical Catholic and Catholic Leadership Institute in making such groups a reality here at St. Bernard's. A third organization, Communio, will soon assist the parish leadership in establishing more and deeper friendships in the parish.

The Bible tells us that the function of the Church is "to equip the holy ones for the work of ministry, for building up the body of Christ." Who are the "holy ones?" Everyone in the parish.

## Happy Mothers Day!

We give thanks and praise to God for all of the wonderful mothers in our parish. Thank you for your sacrificial love. May Jesus bless you with abundant joy and peace in your holy and irreplaceable vocation!
