

Chosen and Sent CONFIRMATION

Deepening faith and preparing hearts for
Confirmation and discipleship.

WHAT IS CHOSEN AND SENT?

Students in 3rd–8th grade will meet approximately twice a month in grade level groups for fun, faith-filled sessions that prepare them for Confirmation in April 2026. Sessions include prayer, discussion, hands-on learning, and time to grow in their relationship with God.

PARENT SESSIONS

Parents gather once a month—separate from the student sessions—to grow in their own faith and explore how to support their child’s spiritual journey. These gatherings also offer meaningful prayer experiences and a chance to build community with other parents.

AT HOME SESSIONS

At home, families will use the Quest curriculum—a fun, gameboard-style resource that introduces different ways to pray together. It’s simple, engaging, and designed to help your family build, or strengthen, a consistent prayer life, one step at a time.
