“Take care to guard against all greed,
for though one may be rich,
one’s life does not consist of possessions.”

Luke 12:15

True Wealth

Once upon a time, there lived a very rich and wealthy man in a big town. He led a luxurious life. He always boasted about his wealth to his friends and relatives.

His son was studying in a distant city and he returned home for vacation. The rich man wanted to show off to his son how rich he was. But his son wasn't fond of any luxurious lifestyle. However, the rich man wanted to make his son realize that his lifestyle was extremely rich and that poor people suffered a lot. He planned a day's visit to the entire town to show him the life of the poor people.

The father and the son took a chariot and visited the entire town. They returned home after two days. The father was happy that his son was very quiet after seeing the poor people honoring the rich man and after witnessing the sufferings of the poor due to lack of facilities.

The rich man asked his son, "Dear boy, how was the trip? Have you enjoyed it?"

"Yes my dad, it was a great trip with you," the son replied. "So, what did you learn from the trip?" the father asked. The son was silent. "Finally you have realized how the poor suffer and how they actually live," said the father.

"No father," replied the son. He added, "We have only two dogs, they have 10 dogs. We have a big pool in our garden, but they have a massive bay without any end! We have luxurious and expensive lights imported from various countries, but they have countless stars lighting their nights. We have a house on a small piece of land, but they have abundant fields that go beyond the horizon. We are protected by huge and strong walls around our property, but they bond with each other and surround themselves with their fellow beings. We have to buy food from them, but they are so rich that they can cultivate their own food."

The rich father was stunned and speechless, on hearing his son's words.

Finally the son added, "Dad, thank you so much for showing me who is rich and who is poor. Thank you for letting me understand how poor we really are!"

True wealth is not measured by money and property! True wealth is created in good friendships and compassionate relationships.

Riqueza verdadera

"Eviten con gran cuidado toda clase de codicia, porque aunque uno lo tenga todo, no son sus posesiones las que le dan vida."

Lucas 12, 15

Érase una vez, vivía un hombre muy rico y rico en un gran pueblo. Llevó una vida lujosa. Siempre se jactó de su riqueza a sus amigos y parientes.

Su hijo estaba estudiando en una ciudad lejana y regresó a casa de vacaciones. El hombre rico quería mostrarle a su hijo lo rico que era. Pero a su hijo no le gustaba ningún estilo de vida lujoso. Sin embargo, el hombre rico quería que su hijo se diera cuenta de que su estilo de vida era extremadamente rico y que la gente pobre sufría mucho. Planeó una visita de un día a todo el pueblo para mostrarle la vida de los pobres.

El padre y el hijo tomaron un carro y visitaron todo el pueblo. Regresaron a casa después de dos días. El padre se alegró de que su hijo estuviera muy tranquilo después de ver a los pobres honrar al hombre rico y después de presenciar el sufrimiento de los pobres por falta de instalaciones.

El hombre rico le preguntó a su hijo: "Querido muchacho, ¿cómo estuvo el viaje? ¿Lo has disfrutado?" "Sí, papá, fue un gran viaje contigo", respondió el hijo.

"Entonces, ¿qué aprendiste del viaje?" preguntó el padre. El hijo guardó silencio. "Por fin te has dado cuenta de cómo sufren los pobres y cómo viven realmente", dijo el padre.

"No padre", respondió el hijo. Y agregó: "Solo tenemos dos perros, ellos tienen 10 perros. Tenemos una piscina grande en nuestro jardín, ¡pero tienen una bahía enorme sin fin! Tenemos luces lujosas y caras importadas de varios países, pero tienen innumerables estrellas". alumbrando sus noches, tenemos una casa en un pequeño terreno, pero ellos tienen abundantes campos que van más allá del horizonte, estamos protegidos por enormes y fuertes muros alrededor de nuestra propiedad, pero se unen entre sí y se rodean de sus semejantes. Tenemos que comprarles comida, pero son tan ricos que pueden cultivar su propia comida".

El padre rico quedó atónito y sin palabras, al escuchar las palabras de su hijo.

Finalmente, el hijo agregó: "Papá, muchas gracias por mostrarme quién es rico y quién es pobre. ¡Gracias por dejarme entender lo pobres que somos en realidad!"

¡La verdadera riqueza no se mide por el dinero y la propiedad! La verdadera riqueza se crea en buenas amistades y relaciones compasivas.
