

HOLY FAMILY SCHOOL

January 2023

Dear Parents,

We consider it a great privilege to collaborate with you and our school staff in the Catholic Education of your child/children. We appreciate that you are willing to join us in providing the best possible experience at Holy Family School.

Every year at this time, we must focus on planning the budget for the coming academic year (2023-2024). There are many variables to consider – some predictable and some we can only estimate. Our goal is to keep our tuition affordable -- without going into deficit spending that will endanger our future.

As we look to next year, we are anticipating at least a 5% increase in our healthcare costs for school personnel; a wage increase for our teachers and the significant costs in order to keep our students, teachers and staff safe and healthy during these unprecedented times. These increases in costs will need to be addressed as we make plans for next year's budget. Part of this will be reflected in the tuition rates – outlined on the following pages.

Holy Family Parish is committed to keeping Catholic education affordable to every family. Each year's tuition rates are based on the school budget requirements and the amount that the parish can reasonably allocate to invest in the school.

Parents' Club Fundraising Credit

The Holy Family School Parents' Club, an organization where all Holy Family parents are members, has been very helpful in their efforts to support our school. Their annual major fundraiser is the **Main Event (scheduled for Saturday, April 15, 2023)**. Your support of this event and other fundraisers has been impressive and we encourage you to continue to be involved in these endeavors. Our goal is to have a portion of the profits from these fundraisers directly benefit our families in the form of a "Parents' Club Fundraising Credit". **We are happy to once again announce that each child will receive a \$75 tuition credit for the 2023-2024 school year.** We need your continued support of these fundraisers to continue to offer a tuition credit each year.

Thank you, again, for joining us in the ministry of Catholic Education. As we work diligently to make it all possible – through careful planning and efforts to control the costs – I would be happy to discuss any questions or ideas you might have.

Yours in Christ,

Rev. Paul J. Rosing, Pastor
