Parent Expectations: In an effort to encourage parents as the first teachers of the faith in the home, St. Matthew's and Shepherd of the Hills is embracing an online-based program with once a month in person sessions. Parents are expected to remind their teens to complete their modules that are due each month, know if their teen has completed them, and to attend Mass as a family as part of the faith and formation experience every weekend.

It is expected that someone who is seeking to be confirmed has reached the point in their life when they take personal responsibility for attending weekly Mass. In fact, Mass attendance may be a good barometer for one's readiness for Confirmation. Consequently, it is expected that a confirmand is coming to Mass regularly. If this is not the case, one should examine their motive for Confirmation.
