

Shepherd *of the* Hills

CATHOLIC PARISH

November 29, 2017

To Whom It May Concern,

This summer a group of high school youth from St. Matthew's, Shepherd of the Hills, St. Mary's, Sons of Zebedee, and the Holyland parishes will be traveling to Mobile, AL. We will be joining hundreds of other young Catholics from across the country to participate in **Alive in You – Catholic Conference and Service Camp**. For six days, we will live in a school and spend our time serving others. Possible work projects include: deconstruction, painting, landscaping, building projects, and working with low income children at their schools. Our goal as a group is to be true servants and to help those in need, expecting nothing in return. Included in our **6 day trip** is a weekend Catholic Conference. It will be an incredibly moving experience to witness hundreds of young people joyfully serving God and others .

Each teen participating in this trip is responsible for the sum of **\$495.00**. This initial cost will cover materials, lodging, food, and supplies. Transportation is not included in the individual amount; the students are doing a variety of fundraisers to help offset the cost of transportation. **This letter writing campaign will benefit the individual student who sent you the letter.** Your donation will go directly toward the student you are sponsoring to offset the cost of their **\$495.00** payment. Any additional funds raised per person above this amount will go towards the aforementioned costs of transportation.

Would you be able to help? Can you sponsor a family member or friend? Can you sponsor someone you have not met? Can you make a donation to this young person? Any donation is helpful and whatever you contribute matters and truly does make a difference. Your donation is tax-deductible and we are happy to issue a receipt upon request. As our group prepares, you will be with us in spirit, and your sponsorship will inspire us to work harder and longer while we are in Alabama.

We are asking that donations be made by April 1st, 2018. Please include the name of the student you are sponsoring with your donation. Please make checks payable to Shepherd of the Hills and mail to:

Shepherd of the Hills c/o Mission Trip
W1562 County Rd. B, Eden, WI 53019

You are an important part of this Mission. Without your generosity, prayers, and kindness this would not be happening. **This experience will challenge our group to live out their baptismal call to love and serve others.** If you have any questions about the Mission Journey, please don't hesitate to contact us. To find out more visit www.aliveinyou.com.

Sincerely,

Steven Joubert
