

## PRAY THE LITURGY OF THE HOURS

For 1700 years, the Church has been marking the hours of the day by praying what is now called “The Liturgy of the Hours.” We invite you to join the Church around the world -- clergy, religious, and lay faithful -- who pray these daily, alone or in community. We may not be able to celebrate Mass together, but we can pray the official Prayer of the Church in communion with one another.

For a description and instructions on this liturgical prayer, go to <https://www.ltp.org/LOH>, where you will find the prayers for Sundays. **eBreviary**, now offers Daily Liturgy of the Hours with a [QR unlock code](#). You can download the QR Code Scanner App from Apple or Google, then just aim your cellphone camera at the Code
