

This year, Coronavirus and political controversies have made voting appear to be more difficult than in the past, and these issues may discourage voting. Our Catholic faith urges us to take responsibility for the good of society by participating in the selection of leaders. Here are some resources that can assist you in understanding how to make your vote count in South Carolina in a way that best suits your desired level of safety from the pandemic.

General information from scvotes.com on your options for how to vote in SC can be accessed here: [Click here to learn how to vote in SC](#)

Here is specific information about how to vote absentee in the election:
