

Capital Campaign Update

By Fr. Kevin Anderson, Pastor

Our campaign for building a new church is entitled, **One in the Light**. This is a major campaign with a \$5,000,000.00 goal for the first phase of our building project. The funds raised in this phase will purchase the land for our new church site; provide a substantial down payment for the first phase of construction; and fund the preliminary architectural design, feasibility study and capital campaign expenses.

Every household will receive an invitation to participate. The financial commitment is for 36 months, beginning December 1, 2017, and will wrap up on November 30, 2020. Contribution can be made weekly, monthly or annually (with the option to use the Electronic Payment method).

With the assistance of *Hal Johnson and Associates*, our campaign is already flowing impressively. Our intent is to present a dignified, respectful, and confidential campaign which is void of any high-pressure tactics; that is to say, no one will be told what to contribute. (Nonetheless, we are asking that you approach this opportunity as the largest financial commitment to be made to a charity.) Each household will determine their commitment based on their financial capacity and blessings. Your commitment should be in addition to what is currently contributed to the weekly collection.

During the **One in the Light** Capital Campaign, every registered household will be personally contacted and invited to offer a financial commitment spread out over 36 months. Others, including visitors, former members, and friends of Christ Our Light Catholic Parish may wish to offer financial support according to their own initiative.

In order to achieve maximum financial success, we are strategically contacting people through a patient and intentional process that will take several months to complete. Other non-profits have used this strategy and have been very successful (including hospitals, colleges and libraries). Please be patient and continue to reflect and pray on how you can “step up” to help shape the future of the Catholic Church in this area ... for our immediate needs and for the needs of future generations. I ask for your trust and understanding as we take each step in a deliberate and thoughtful manner.

As you await an invitation to offer your financial support, I hope you will join me in daily prayer for the Holy Spirit to continue leading us as a community and stretching us as individuals to **Love God. Live the Eucharist.**
