SEVENTH SUNDAY IN ORDINARY TIME

AN INVITATION TO 'IGNITE FAITH'

By Teresa Callison, Parish Administrator

Plan to join us next weekend, February 26/27, as we kick off the *Ignite Faith Capital Campaign*. The funds raised from this campaign will allow us to start construction of our new church home and fully complete our journey to become one faith community. Every household in the parish will have the opportunity to be a part of this endeavor. Below are thoughts on the new building from some of our fellow parishioners. This is such an exciting time, join us and become part of the legacy we are creating in our community!

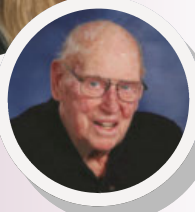

Tyler Roehl (with Sara, Charlotte, Emmett & Archer):

"We are excited for the opportunities that the new church and land will hold for our family. It's exciting to think about the new facilities and services that could be added in the future. Most of all, we look forward to a unified building for everyone to call 'my church.'"

Kari Vogel (Parent, Teacher):

I chose to contribute monthly to the Christ Our Light "One in the Light" Campaign because this church is like my home... I've raised my children here, struggled here, found joy and support here, and continue to connect with the Lord here. I feel that the move to one space will give us all greater connection and will allow us to grow as "one family" in "one house."

Ray Jones (age 95, member since 1957):

"I want a new church just like the bulk (of people) want it. I've been in so many churches in my life. The trinkets are not the most important. Just to be together is the important part."

Emily Ehnes (with Lance, Kate & Brayden):

"It just would be good to be at one place, not Princeton or Zimmerman. More centrality, a place that we all can call home. The future site is gorgeous and would make a great place for a church."
