WARNING: West Nile Disease. This disease comes from mosquitoes. Things to do:

- 1) Empty all water from outside: kids’ pools, bird baths, anything holding water. This is where mosquitoes hatch their eggs.
- 2) Outside in the early morning or evening/dusk...make sure you wear mosquito repellent.

SOME NOTES FROM FR. JOE:

*Aug. 6 and 9, 1945, The United States dropped atomic bombs on Hiroshima and Nagasaki. This brought an end to World War II. After that, many people believed there would be no more war because the weapons had become too destructive. Yet, here we are 70 years later, and we see wars happening all over our planet. We see violence on the streets of our own city. POPE FRANCIS has announced a special “Year of Mercy” beginning 11/29/15, the First Sunday of Advent.

We don’t have to wait till that date! We can practice MERCY in our everyday lives. Stop gossiping about one another. Stop telling hurtful stories about other people. Forgive others. Don’t blame people with hateful words and insulting sign-language. AND...be careful what you say/sign to others on VP, Facebook, etc. Once you put something on the internet, you cannot take it back. Too many people are feeling very hurt by nasty messages on VP, Facebook, texts, etc.

Some people suffer from DEPRESSION. There is a wonderful, easy-to-read book for these people. The author, FR. BILL BURKE, is a priest from Chicago who suffered Depression for many years. The Book is: PROTECT US FROM ALL ANXIETY: Meditations for the Depressed. ACTA Publications; 1998.

INTERESTING PLAY about FAITH: “Grand Concourse”, Steppenwolf Theater, 1650 N. Halsted, CHGO. Sign-Language: 8/9, 7:30pm. Open captioned: 8/22, 3pm. 312-335-1650 or <http://www.steppenwolf.org/>

IMPROVE MEDICARE! There is a new Bill (proposed law) in Congress: THE HEARING AID COVERAGE ACT of 2015 (HR 1653). This Bill will change Medicare rules to pay for hearing-aids. Please contact your U.S. Representative in Congress. Go to: <http://www.house.gov/> to find your Representative and mailing address. Tell your Representative you want him/her to vote for HR 1653. Explain that this Bill is VERY important to you and other people.

WARNING: West Nile Disease. This disease comes from mosquitoes. Things to do:

- 1) Empty all water from outside: kids’ pools, bird baths, anything holding water. This is where mosquitoes hatch their eggs.
