9-1-1 is the emergency number for police/fire. If you become very ill, call that number. If you are deaf, dial 9-1-1 and DO NOT hang up or close the phone. If the operator does not hear a voice, the city will send someone to your home. PARENTS: teach your children how to use 9-1-1. Explain to them to only call 9-1-1 if there is an emergency or a crime.
