

Winston-Salem Share group

St. Leo's is proud to host a WWME share group for all couples who have completed a World Wide Marriage Encounter Weekend. The share group meets the first Saturday of each month at 7:00pm in the Conference room at St. Leo's Church. All Encountered couples are welcome to join us for a casual evening to give your relationship some time and energy. It does not matter if you were encountered a month ago or 20+ years ago, all are welcome! You do not have to be a St. Leo's Parish member. We have couples from Holy Family, Our Lady of Mercy and Holy Angels represented currently.

There will be a short presentation, topics vary greatly, a dialogue 10/10 question, and optional group sharing. This time is for you and your spouse so there is never any pressure to share with the group, it is perfectly fine to sit quietly and listen if others are sharing or just reflect on the topic. This is all followed by pot luck snacks, drinks, and socializing.

There may be times when the date is changed due to holidays etc. so please call if you are interested in coming and we will confirm the dates for you. If you have any questions you may contact:

Mark and Sara Romanik
