

We, the faith filled community of the **Church of the Assumption of the Blessed Virgin Mary**, affirmed the response of the Blessed Virgin by proclaiming "We are the Lord's servant!" (Luke 1:38)

Pastor Notes

In the reading from St. Paul to the Church of Ephesus read on the Feast of the Epiphany last Sunday, he reminds them of the grace of God given to Him to be shared with the whole Church. Our Blessed Lord constituted St. Paul as a steward of this great treasure with the responsibility of sharing this truth with the Christian Faithful throughout the world.

We as members of the Christian faith have been entrusted with the stewardship of our faith communities, meaning that we commit ourselves to caring for them by taking an active part in performing the Lord's work by our involvement in the ministries our parish performs. Every so often, it is a good idea to provide an opportunity for those new to the parish to discern how they can do their part to become actively involved in the life of the parish, as well as for those already involved to recommit themselves to their ministries and membership in the parish.

This week and next week, there will be forms available for you to make your commitment or recommitment to our parish (see page 6). This assists us in maintaining our records so that they remain accurate & current. Each person 21 years of age & older is asked to sign a commitment form. There is also a part of the commitment form where you express any needs you may have. Please take the time to complete this. We are interested in hearing from you so that we can better serve you.

As we exercise stewardship regarding our parish community, so we must also exercise *spiritual stewardship* as well. To this end, I would like to announce an up-coming *Parish Mission* beginning with the Masses the weekend of **February 18-19** and the **Monday and Tuesday** evenings preceding **Ash Wednesday, February 20th & 21st**. The Mission will be conducted by **Fr. Joseph Tuscan, OFM Cap.**, from the St. Augustine Province of the Capuchin Franciscans in Pittsburgh. Fr. Tuscan will also direct the *Day of Recollection* for the Altar & Rosary Society on **Ash Wednesday, February 22nd**.

Mark your calendars for these important dates.

Did you hold off on having your child baptized due to COVID?
It's not too late!

Contact the rectory at 440.526.1177 or fill out the form at www.coabvm.org/sacraments/baptism to get the process started!

THE CATHOLIC UNIVERSITY OF AMERICA COLLECTION

This weekend, the arch/diocese will be taking up the National Collection for the Catholic University of America. Catholic University is a national research University with over 5,700 undergraduate & graduate students in more than 250 academic programs in the heart of Washington, D.C. By giving to the collection, you are supporting future Catholic leaders, both religious & lay, who are being formed by an exceptional, faith-rooted education & the University's various research & training initiatives that support dioceses & parishes in responding to the most pressing needs of their faithful. The Catholic Project—an initiative that brings together clergy & laity to address the challenges that the Catholic church faces in the U.S. by contributing education, formation, research, events & media, a Master's program in Ecclesial Administration & Management, & a credentialing program that prepares recent graduates to serve as campus ministers, are a few examples how the University is serving the Church & nation. Please give generously. Scan the QR code on the provided envelopes or visit: future-catholicleaders.igivecatholictogether.org and click 'Give Now'.

FOR REFLECTIONS

- How might you imitate John the Baptist's mission of making Jesus known?
- What are some of the moments of calling you've experienced in your life? How did you identify God's voice?
- When we think of "Gods will" we often focus on big decisions like our state in life and our career. But God's will is more often lived out in the small, ordinary choices we make every day. Where might God be calling you to greater holiness amidst the mundane realities of your life?

COLLECTION FOR THE CHURCH IN LATIN AMERICA

Next week we will take up the Collection for the Church in Latin America. For many in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers all present obstacles to practicing the faith. Your support for the collection provides lay leadership training, catechesis, priestly and religious formation, and other programs to share our Catholic faith with those who long to hear the Good News of Christ. To learn more about how your gifts make a difference, visit www.usccb.org/latin/america.

God is with us all through this Journey

With a new year comes new opportunities. It is very interesting to me that right after Christmas all of the stores, even grocery stores adjust their displays. I had to run to Target on December 26th to purchase milk for my son. I should not have been surprised, but I was, that all of the Christmas decorations, and gift ideas were already taken down and moved to clearance aisles. People were making a mad dash to fill their carts with wrapping paper, ribbon, bows, & even chocolates. In the same token, a brand new display was erected. This display was touting fitness and exercise equipment, healthy snacks, and vitamins.

It must be a popular notion that many people will gouge themselves during the holidays & then detox with the new year, fresh with New Year's Resolutions to get back into shape, or to start eating better.

Waiting to check out at the register with my 2 cartons of milk, I watched as people either had a cart or their hands full of the clearance Christmas goodies, or the healthy fitness items. Since the line was long, I thought that there must be a lesson here, so I did ask God for some guidance while I waited. Here is what He moved me to say.

While Christmas items may be on a super sale in stores, the meaning & spirit of Christmas is very much present and alive. We should make an effort to separate the worldly goods associated with the spiritual aspects of the season and make sure not to "discount" the Lord. While many others are (myself included) are making plans to be more mindful of his/her health in the new year. We should make plans to exercise & improve our relationship with God. Our spiritual fitness, (like real fitness) only works if we put in the effort.

If you bought wrapping paper at 50% off, also give thanks for the newborn Jesus! If you bought a treadmill, also remember to walk with the Lord!

Happy New Year, and Happy Revitalized Prayer Life!!!

RELIGIOUS EDUCATION

Ms. Mary Zabrecky, Director of Religious Education

It was so nice to have all of our students back together after the Christmas holidays! We gathered for prayer before heading off to our classes for our time with our catechists. But once again, we will be off tomorrow evening due to Martin Luther King day! This is such a great opportunity to practice spreading justice, peace, and kindness in our world, a world that desperately needs these things!

So this weekend, when you are thinking about a day off (if you are lucky!) think about how you can bring God's light into a dark world by your presence. By that kind word, that patience while waiting in line, that understanding of what another is going through. All these things will make our world a much better place!

Just a reminder, there is no preK Sunday school today and no PSR on Monday evening. We will meet back together next week!
