Pastor Notes...

The season of *Advent* is a time of serious preparation not only physically for Christmas but also and more importantly for the coming of Christ, whether at the end of our lives, at the end of time, or daily in Holy Communion or in our prayer. With the shadow of COVID-19 in our lives to a certain degree this season, perhaps it is a good time to emphasize the spiritual side of Christmas even as we prepare to celebrate the feast as best we can given the circumstances in which we find ourselves.

With the onset of *Advent*, there are a number of prayers offered in preparation for Christmas. One of these was introduced to me by my grandmother many years ago. I keep it in my breviary and the card is quite old & worn. I shared it with you some years ago and some parishioners have asked me to share it again, so here it is:

Hail and blessed be the hour and moment in which the Son of God was born of the most pure Virgin Mary, at midnight, in Bethlehem, in piercing cold. In that hour vouchsafe, O my God, to hear my prayer and grant me desires, through the merits of Our Savior, Jesus Christ, and of His blessed Mother.

Amen

This prayer is to be said 15 times a day from the Feast of Saint Andrew (November 30) until Christmas (December 25).

Please remember to lend your support to the **We Give Catholic** initiative this coming **Tuesday, Nov. 29th**. This effort assists us in supporting Catholic education at St. Albert the Great at Assumption Academy but also will provide funds for the replacement of the concrete stairs on the north side of the church building and addition of a ramp to assist in making our church more accessible to those who are physically challenged. There are several parties who have offered matching gifts as an incentive for us as a community to match their donation. Let's make this day count for Assumption.

Thank you ahead of time for your support.

OUR LADY OF VICTORY INTERCESSION PRAYER GROUP

Next prayer meeting will be on . . .

Wednesday, November 30th * 7 - 8pm in Church

Intercessory prayer is going before God on the behalf of others, approaching Him with the real hope and intent that He will step in and act for the positive advancement of some specific other person. It's trusting God to act, even if it's not in the manner or timing we seek. Let's cast our weakness before His strength and have a bit of God's passion burn in us. We invite you to join the prayer group to ask God for the needs of our parish, the community, our families and the world. We'll pray the rosary for all our intentions, asking our Blessed Mother, the Virgin Mary, to intercede for us. Invite a friend or family member!!

We'll be praying especially for . . .

Change in Proficiency from School Year 2019 to 2022

A couple of weeks ago assessment data for 2022 became available from the NCE (National Center for Educational Statistics), and it showed Catholic schools achieving higher than the nation's public and charter schools, as they have in other years. However, this time the distance between sectors grew. While all schools faced the challenges of the COVID-19 pandemic, the results of Catholic schools - which were first to reopen and more likely to provide in-person options - also nationally outperformed their public and charter school counterparts when compared to past results.

As you can see from the graph provided by NCE the schools within the Diocese of Cleveland outperformed all public districts in Ohio. Assumption Academy falls right into line, showing an increase in test scores during this same time period. Those of us that are familiar with Catholic education know the value it brings in educating the whole child.

While the public schools in our neighborhood are focusing on how to recover from learning loss, Saint Albert the Great at Assumption Academy is focused on continued growth.

Thank you for supporting Catholic education.

RELIGIOUS EDUCATION

Ms. Mary Zabrecky, Director of Religious Education

Oh, the curse of daylight savings time! I truly dislike how early it gets dark right now. I know; this is the complaint of many. Why can't we just leave the clocks alone. The time change, however, also allows me to enjoy the moments of light in an otherwise dark evening. Seeing the Christmas lights that are beginning to shine in the darkness. Candles in a window on a dark winter's night. Sitting by a warm fire. These are some of the moments that make the darkness beautiful.

The season of Advent is like this. We are waiting in the darkness for Jesus to come. Our readings today remind us that we need to be aware. We need to be looking for our light to come and to be ready. Our PSR families will be eagerly preparing both hearts and homes this advent season. Our third through eighth graders will receive the Sacrament of Reconciliation on Monday, December 5. Our families will enjoy an Advent Family Night on December 12, and our Preschoolers will enjoy a family Advent Celebration on Sunday, December 18. I truly hope that our whole community will take this advent with its dark evenings, and bring much needed light and hope into our world.
