Dear parents of Assumption Academy,

It is with sadness that I must announce the resignation of Mrs. Joann LoPresti, who served as principal of Assumption Academy. In her letter to me Mrs. LoPresti states: "It has been my honor to serve as your principal. Your children are extremely special to me and I smile brightly every time I think of them. Thank you for your patience, dedication and commitment you have shown me over the past two years. Above all, thank you for entrusting me with your children's education and well being."

We express our prayerful best wishes for Mrs. LoPresti's future endeavors and will miss her dearly as we acknowledge the strides she made in making our academy more visible to the community and for initiating the STREAM program in our academy's course of studies.

With just a few more weeks before the new school year begins, time is of the essence in finding a successor to Mrs. LoPresti. After consultation with the Diocesan Education Office, I am pleased to announce that Mr William DeBacco has been selected as principal of Assumption Academy. Most recently, Mr. DeBacco served as principal of St. Paul School in Akron. He possesses much experience in the field of Catholic Education and is eager to embrace the demands of leading our Academy. Please welcome him to our Assumption community and wish him well as he assists us in moving our academy forward towards the future.

Blessings and prayers,

Fr. Justin, O.S.B.
