November 2025

Metanoia from Formed.org

Wednesdays in November

10:00-11:00 am, SJE-Lower Level Conference Room

In the Gospel of Mark, the first words of Jesus are an invitation to metanoia, to repent, to change, to be converted. This series is beautifully filmed on location in the Holy Land, highlighting sacred places such as the Sea of Galilee, the River Jordan, the desert of Temptations, and many of the holy sites in Jerusalem. These episodes explore areas of our life where conversion is so often necessary. Come and finish this series with us even if you haven't seen the first part. Each video is amazing and our discussions very interesting.
