

## **Interested in joining the Catholic Church?**

*We're interested in talking with you about it.*

## **How long does it take?**

*About a year, give or take. Depends on your background and some of your interests. Ten meetings over the course of a year cover the basic material.*

## **Where does the group meet?**

*We meet in a parish classroom as a small group, plus we have one gathering at church. There is also a service project component.*

## **What type of work is required?**

*Group members read selected material on their own. During class, there is a presentation, and a discussion of the assigned reading material.*

## **When does the group meet?**

*A time that is mutually agreeable for the interested individuals is selected. Some students may work in smaller sub-sets of the main group.*

## **Who can attend?**

*RCIA is a class for adults. Some know a little about the Church, others not as much. Perhaps you were baptized in a different Christian denomination (like Lutheran or Methodist). Or perhaps you've never been baptized. All are welcome to join RCIA!*

## **Who should I contact?**
