

Service Hours Requirements for all students planning to be Confirmed Fall of their Junior Year
Students may start completing service hours after completion of 6th grade.

All Blessed Trinity Religious Education students must complete **25 hours of service work** as a requirement for Confirmation. Students must complete a minimum of 7 hours during At Home Mission Week and 6 hours from each of the remaining categories listed in the boxes below.

All 25 Service Hours must be completed prior to the start of Confirmation Class which is currently 10th Grade.
For example, if the student is planning to be Confirmed in Fall of 2025, all service hours must be complete by September 1st of 2024.

Mission Trips (Optional not required)

If a student chooses to attend a Mission Trip such as Catholic Heart Workcamp this would fulfill their Confirmation Service Hours Requirements meaning hours from other categories are not needed.

At Home Mission Week (one day is required = 7 hours)

All students are required to participate in at least one day for 6 hours. A typical day is 8:00 – 3:00 with lunch at noon, this also includes the busing/travel time. If a student chooses to work a total of four full days during At Home Mission Week this will fulfill their Confirmation Service Hours requirement meaning hours from other categories are not needed. If a student chooses the option of working four full days during At Home Mission these four days do not need to occur in the same year.
