Safe Environment Training and Background Checks

Our volunteers are trained in Safe Environment by reading and signing the diocesan Code of Conduct. Background checks are also requested as needed. For more information, please visit the Faith Formation page of our website.

In addition, our students receive Safe Environment training annually in one or more class sessions.

Parents are notified ahead of time and the lessons vary based upon age.

If you are a professional teacher, counselor, or work in law enforcement or a similar area, please consider volunteering to help with these safe environment lessons. Most of the lessons will be conducted in January 2021. Please contact me with any questions you might have.

Thank you for your commitment to our parish children!
