

Early Learning Program

The Church of the Madalene Early Learning Program is operated as a ministry to our parishioners and members of our community. We are a Catholic program. We pray each day at lunch and teach about faith particularly during holidays such as Easter and Christmas. We have age appropriate activities that will help form the faith in our children.

We welcome children from age 15 months through 4 years.

Our fall session will begin on September 15, 2020 and run till May 20, 2021.

We follow the TPS school calendar for all breaks and bad weather events.

**During our fall session we will be operating Tuesday, and
Thursday from 9:00am-2:00pm.**

During this unprecedented time, the Madalene Early Learning Program is adopting new drop off and pick up procedures, and many extra safety precautions and sanitizing procedures. This way we can ensure the peace of mind and wellness of your children as well as the staff. We want to provide a safe, fun and faith filled learning environment for your child.
