

Madalene Early Learning Program

Tuitions and Fees

Tuition payments for the 2023-2024 school year begin September 5. Monthly tuition for Madalene ELP is calculated based on the number of days we are open divided by nine monthly payments at a rate of \$26 per day and \$24 per day for siblings. This means that the nine monthly payments are all equal payments; for example, the December payment will be the same as the September payment, even though there are holidays in December. Monthly tuition is due on the 1st of the month, or the first day of Madalene ELP after the 1st of the month. Tuition is non-refundable

In order that we maintain a space for your child, we require payment even if your child misses a day. In addition, we require that parents commit to sending their child or children a semester at a time. There is no month to month enrollment.

A \$40 snack and supplies fee per family is due each school year and is due with the first month's tuition.

A one time application fee of \$25 per family is due at the time of registration.

Drop in rates are \$30 and \$25* for siblings (who attend on the same day). Drop-ins are available to children who are currently enrolled or have attended Madalene ELP. Drop-ins are subject to space availability and with 24 hours' notice is required
