

Get to know Mindy!

Mindy Sadler is our OCIA, Order of Christian Initiation of Adults Director. Mindy is looking forward to getting to know all of the people joining the Church this year. As a revert to the Faith, Mindy is excited to share her joy with others. Mindy and her family moved to Montana in 2018 and have established themselves in the Big Sky State.

We talked with Mindy about her favorite liturgical season/day and she said “my favorite season is the Triduum and Easter Time”. She “looks forward every year to the Holy Thursday, Good Friday, and Easter Vigil”. Mindy said those masses are “extremely profound and moving to me”. She loves the decorations that appear in the church during Easter to show the arrival of our Risen Lord and Spring.

Mindy and her husband, Eric, who converted to the church in 2018, believe in behaving inside their home the way they do in public. For them, they follow the Ten Commandments, admit when they have committed wrongs, and apologize to each other always during those occasions. As a family, they love Advent and Lent. They complete activities together, like an Advent calendar, lighting Advent candles, and decorating for Christmas and Easter.

Mindy’s Patron Saint is Joan of Arc, as she chose her for her confirmation name. For Mindy, her favorite aspect of Catholicism is knowing it is Universal. She said “knowing that no matter where I am I can walk into any Catholic Church and participate in a Mass; the comfort of that feeling is invaluable”.

When asked about her Jesus moment, Mindy said that she has “the experiences were always there throughout my life, but I wasn’t open to receiving them”. She said reflectively “looking back on my faith journey, the experiences I had that I didn’t notice were still there just waiting to be received”.

We thank Mindy for fulfilling the OCIA Director role and leading all those interested in the Faith through the steps of joining. This Dynamic Disciple is growing in Faith and showing how to be Alive in Christ through her leadership and dedication to teaching the Truth of the Gospel.
