

The end of St. Thomas' 2022 Vacation Bible School was met with thunderous applause and cheers from parents! The kids displayed what they learned through song, dance, and skit to the eagerly awaiting audience. It was a successful VBS! Joyce Hollowell thanked those who helped teach, aides and student helpers, the snack crew, our custodian, and parents for assisting in making it such a success. The kids left with smiles on their faces talking about what they learned.

To begin the last day, everyone met for morning singing. They were then dismissed to practice for the talent show, have snack, and just enjoy each other's company for a little while longer. Kids made new friends, saw old friends, and enjoyed spending time with others who share their faith. The younger kids have the mentors of the teenage helpers to look up to and know that they can come back and help one day.

During the talent show, we listened to the littles sing "This little light of mine", "Father Abraham", and other songs. We were treated to demonstrations of gymnastics and ballet. The older kids informed us of their God-given talents and then showed us a sliver of what they could do with their God-given talents. We watched as they showed off basketball skills, jumping skills, and other skills. Another group of kids danced to "Get up and tell the world". For the final act of the day, we were entertained by a game show called "Name that Person". The kids used puppets and answered trivia questions about the three persons of the Trinity. They created backstories for their puppets. In the end, the Golden Bananas team won.

After four days, Vacation Bible School is over, but it will not be forgotten. We cannot wait for the Religious Education classes to gear up in the Fall and see how much they remember from VBS. Our little Dynamic Disciples are growing Alive in Christ more every day! It is exciting to watch!
