

## **EITC**

What is EITC? The EITC program is a way for businesses and individuals to divert the taxes owed to the State of Pennsylvania and in exchange designate a school of your choice to receive these funds. The Catholic Schools in the Diocese of Harrisburg are listed under the “**Neumann Scholarship Fund.**” The Neumann Fund is where you would direct your tax monies and later specifically request that they go to St. Rose of Lima School.

If you are interested in only designated funds to preschool age children, you would also look at the “**Neumann Scholarship Fund**” and make this designation. Please visit the website below and contact us with any questions.
