

Tom & Susy Dimelow Scholarship for York Catholic.

Tom & Susy Dimelow are vested in Catholic Education. This couple resides in Colorado yet contribute to their alumni schools. The Dimelow's provide a \$500.00 York Catholic Scholarship to a student who values their Catholic Education and who expresses this through writing with a focus on the importance of STEM and how it plays a part in our progressing civilization. Tom Dimelow is an alumnus of St. Rose of Lima School and York Catholic. The parish, staff, and families of St. Rose of Lima School are grateful for their investment in our students and Catholic Education.

All sixth graders will write a paper for consideration for this scholarship. There are two parts:

Part 1: Discuss the importance of both science and math in a progressing civilization.

Part2: Explain how you will continue to witness your Catholic faith as you move on and explain why it is important to witness your faith.

Please include your first and last name. After it is completed, please check for spelling and grammatical errors. The scholarship writing will occur at school. The writing is part of an English grade. The final copy of the submission is computer generated. (Please take the time to brainstorm and provide evidence in your reasoning.)
