Do you have any suggestions on things you want to see us offer?

Below are different roles that our ministries need volunteers to fill. Please read the descriptions and if you can help with any of these, please list which role or roles here:

Edge – Snack Coordinator – We like to offer a snack on Wednesday nights because some teens are not able to eat before coming. Last year we had one person use Sign-Up Genius to schedule a Sweet, Salty, and Healthy snack for each night and parents rotated the donations.

Edge – Snack Donations - Please help by signing up for a snack donation on the Sign-Up Genius.

Lifeteen Meal Coordinator – We like to break bread with our high school teens. In the past, I have just handled this, but it can be challenging to do this every week. We do have a full kitchen now, and I am hoping to be able to cut expenses with more home cooking. We can cover the cost of the food, but I need rotation to help with prep and planning.

Lifeteen – Meal preparations on a rotation of several volunteers, hopefully enough people volunteer

Lifeteen – Core Team Member – This is someone who will be there every week from 6-8 pm to journey with our teens in their faith. We need to build relationships with these teens and let them know that we as a church care about them. This requires fingerprinting, a dedication to our programs and teens, and someone who can be loving and kind to them. This requires someone who is willing to share their own faith journey and to be open and honest about that journey. Being Authentic is the only way we can reach them, so we must care and have our own faith. We do meet once a week either in person or virtually to do planning as well. Date and time TBD.
